

It has been an inspiration to work with Fantastic Fireworks over what is probably nearly 20 years.

Dudley's annual fireworks display at Himley Hall & Park would not be the largest Local Authority display in the country without the continued professionalism and creativity of your team.

Your enthusiasm for entertaining audiences with 'simply the best' in fireworks as well as the accompanying soundtracks have helped create our track record. This, coupled with your attention to detail, particularly Health and Safety, ensure that you are leading team in firework entertainment. It is very easy for a company to impress a client the first time, but to continually impress year on year indicates the quality of your staff and yourself. The shows you have created for us have genuinely lived up to your company name!
