Dear Ms. Robertson,

I'm writing to thank you for arranging the superb firework display at Liz and Paul's wedding at Brocket Hall on 6th May. Liz & Paul are still honeymooning, and I have found your address through Brocket Hall. The fireworks were magical and much admired by everyone, they really added to the occasion. How lucky we were that the rain had stopped by that time.

Liz and Paul (and all of us!) had a wonderful day and I know they would want to join us in thanking you for your contribution. If ever you need any reference or recommendation we would be delighted to supply it.

Yours sincerely, Pam Percy (Mrs).
