### **Fantastic Fireworks**

**– 25 years of local and international achievement**

Fantastic Fireworks is celebrating 25 years of success. Founded in Hertfordshire in the mid-1980s, we are one of the longest established in the industry. Every year we put on more than 300 professional displays while our network of shops supply the busy Bonfire Night market with domestic fireworks. Further afield we have been setting firework fashion from St Petersburg to St Albans. In 2007 we helped the City of Liverpool celebrate its 800<sup>th</sup> birthday with Europe's largest display of the year, and in 2008 were official firework supplier for the city's year as European Capital of Culture. Fantastic Fireworks also has an impressive list of celebrity parties on its CV, including Sir Philip Green's 55<sup>th</sup> birthday in the Maldives, Simply Red singer Mick Hucknall's 50<sup>th</sup> birthday and a series of shows in 2011 with top comedian Eddie Izzard and rock band Foo Fighters. We support a strong training & community programme. Every year dozens of prospective pyrotechnicians take our professional training course to add to the 150- strong team who front our busy Bonfire Night programme. Several charities, projects and individuals have also benefited from our donations, including an up-and-coming young tennis player, a local football team and several schools. In the field of competitions Fantastic Fireworks was first winner of the British Fireworks Championship in 1997 and has also competed at San Sebastian, Cannes, La Baule, Plymouth & Southport. Our aim is to surprise and delight audiences across the country. We source the latest and most exciting fireworks from the leading manufacturers & pride ourselves on bringing the WOW! Factor to every show.
